

Behavior Protocol for Activities at The Riding Stable, LLC

Effective: April 21, 2017

Activities include, but are not limited to: lessons, camps, hang out days, any and all outings.

Here at The Riding Stable, LLC we all want to ensure the safety of our and others children/participants. In order to do so, some guidelines have been implemented.

- 1) Participant will receive a VERBAL WARNING.
- 2) Participant will be asked to take a TIME OUT from activity.
- 3) Participant will be pulled from the activity and parent called.
- 4) Participant will be pulled and parent will be notified to pick-up said student.

Safety is always first and foremost. Bad behavior makes for an unsafe atmosphere. Lessons and camps are to be fun, but are also a structured learning environment, not a Daycare for bad behavior.

Your cooperation is more than appreciated and we look forward to all activities here at The Riding Stable, LLC.
